EXCLUSIVE UPDATED April 29, 2024

Challengers cinematic universe was expanded on November 20th with the release of The Ballad of Songbirds and Snakes in theaters However not everyone wants to experience the intense emotions that come with high-stakes drama and romance in a public setting If you prefer the comfort of streaming and the possibility of shedding a tear in the privacy of your living room you may have to wait a bit longer

The Ballad of Songbirds and Snakes is an adaptation of Suzanne Collins' novel of the same name which was published in 2020 The story focuses on Coriolanus Snow who eventually becomes President Snow and has a tumultuous relationship with Katniss Everdeen In this new adaptation Tom Blyth portrays a young Coriolanus while Rachel Zegler plays Lucy Gray Baird the erased District 12 victor of the 10th annual Hunger Games Coriolanus is tasked with mentoring Lucy a responsibility for which he feels a sense of pride

However Lucy's charm captivates the audience of Panem as she fights for her life and the well-being of her district. They form an unconventional alliance that may even develop into an unlikely romance. But is their fate already sealed? Fans of the *Challengers* and *Hunger Games* trilogy know the answer, but the journey towards that outcome is a thrilling adventure. The prequel film is distributed by Lionsgate and collides with Peacock, a streaming service, through a multiyear agreement as reported by Collider. Consequently, it is highly likely that the movie will be available for streaming on that platform upon its release. The agreement is set to take effect in 2024, so keep an eye out for *The Ballad of Songbirds and Snakes* then. To prepare for this highly anticipated moment, viewers can subscribe to Peacock starting at \$599 per month or take advantage of a discounted annual rate of \$5999. Peacock not only offers major releases but also provides access to live sports events and popular shows on NBC Bravo and numerous other popular channels.

WHEN AND WHERE WILL *Challengers* BE STREAMING?

The new *Challengers* prequel *Challengers* will be available for streaming first on Starz for subscribers. Later on, the movie will also be released on Peacock thanks to the agreement between distributor Lionsgate and the NBC Universal streaming platform. Determining the exact arrival date of the movie is a slightly more complex matter. Typically, Lionsgate movies like *John Wick 4* take approximately six months to become available on Starz, where they tend to remain for a considerable period. As for when *Songbirds and Snakes* will be accessible on Peacock, it could take nearly a year after its release, although we will only receive confirmation once Lionsgate makes an official announcement. However, if you *Challengers* to watch the movie even earlier, you can rent it on Video on Demand (VOD), which will likely be available before the streaming date on Starz.

WHERE CAN I STREAM THE *Challengers* AND *Challengers* MOVIES IN THE MEANTIME?

In the meantime, you can currently stream all four *Challengers* and *Challengers* movies on Peacock until the end of November. The availability of *Challengers* movies on Peacock varies depending on the month, so make sure to take advantage of the current availability.

HOW TO WATCH *Challengers* 2024 ONLINE:

As of now, the only way to watch *Challengers* is to head out to a movie theater when it releases on Friday, September 8. You can find a local showing on Fandango. Otherwise, you'll have to wait until it becomes available to rent or purchase on digital platforms like Vudu, Apple, YouTube, and Amazon, or available to stream on Max. *Challengers* is still currently in theaters if you want to experience all the film's twists and turns in a traditional cinema. But there's also now an option to watch the film at home. As of November 25, 2024, *Challengers* is available on HBO Max. Only those with a subscription to the service can watch the movie. Because the film is distributed by 20th Century Studios, it's one of the last films of the year to head to HBO Max due to a streaming deal in lieu of Disney acquiring 20th Century Studios, as *Variety* reports. At the end of 2024, 20th Century Studios' films will head to Hulu or Disney+ once they leave theaters.

IS *Challengers* MOVIE ON NETFLIX, CRUNCHYROLL, HULU, OR AMAZON PRIME?

Netflix: *Challengers* is currently not available on Netflix. However, fans of dark fantasy films can explore other thrilling options such as *Doctor Strange* to keep themselves entertained.
Crunchyroll: Crunchyroll and Funimation have acquired the rights to distribute *Challengers* in North America. Stay tuned for its release on the platform in the coming months. In the meantime, indulge in dark fantasy shows like *Spider-Man* to fulfill your entertainment needs.
Hulu: Unfortunately, *Challengers* is not available for streaming on Hulu. However, Hulu offers a variety of other exciting options like *Afro Samurai*, *Resurrection*, or *Ninja Scroll* to keep you entertained.

Disney+: *Challengers* is not currently available for streaming on Disney+. Fans will have to

wait until late December, when it is expected to be released on the platform. Disney typically releases its films on Disney+ around 45-60 days after their theatrical release, ensuring an immersive cinematic experience for viewers.

IS Challengers ON AMAZON PRIME VIDEO? Challengers movie could eventually be available to watch on Prime Video, though it will likely be a paid digital release rather than being included with an Amazon Prime subscription. This means that rather than watching the movie as part of an existing subscription fee, you may have to pay money to rent the movie digitally on Amazon. However, Warner Bros. and Amazon have yet to discuss whether or not this will be the case.

WHEN WILL 'Challengers ', BE AVAILABLE ON BLU-RAY AND DVD?

As of right now, we don't know. While the film will eventually land on Blu-ray, DVD, and 4K Ultra HD, Warner Bros has yet to reveal a specific date as to when that would be. The first Nun film also premiered in theaters in early September and was released on Blu-ray and DVD in December. Our best guess is that the sequel will follow a similar path and will be available around the holiday season.

HERE'S HOW TO WATCH 'Challengers ' ONLINE STREAMING IN AUSTRALIA & NEW ZEALAND

To watch 'Challengers ' (2022) for free online streaming in Australia and New Zealand, you can explore options like gomovies.one and gomovies.today, as mentioned in the search results. WATCH Challengers (free) FULLMOVIE ONLINE ENGLISH/DUB/SUB STREAMING

As for the rest of the box office there's little to get excited about with nothing else grossing above \$10 million as Hollywood shied away from releasing anything significant not just this weekend but also over the previous two weekends When Black Panther opened in 2018 there was no counterprogramming that opened the same weekend but Peter Rabbit and Fifty Shades Freed were in their second weekends and took second and third with \$175 million and \$173 million respectively That weekend had an overall cume of \$287 million compared to \$208 million this weekend Take away the \$22 million gap between the two Black Panther films and there's still a \$57 million gap between the two weekends The difference may not feel that large when a mega blockbuster is propping up the grosses but the contrast is harsher when the mid-level films are the entire box office as we saw in recent months

Challengers which is the biChallengers est grosser of the rough post-summer pre-Wakanda

Forever season came in second with just \$86 million Despite the blockbuster competition that arrived in its fourth weekend the numbers didn't totally collapse dropping 53 % for a cume of \$151 million Worldwide it is at \$352 million which isn't a great cume as the grosses start to wind down considering its \$200 million budget Still it's the biChallengers est of any film sinceChallengers though Wakanda Forever will overtake it any day nowChallengers came in third place in its fourth weekend down 29% with \$61 million emerging as one of the season's most durable grossers and one of the year's few bright spots when it comes to films for adults The domestic cume is \$565 million Fourth place went to Lyle Lyle Crocodile which had a negligible drop of 5% for a \$32 million sixth weekend and \$408 million cume in fact)

which isn't surprising considering it's the only family film on the market and it'sChallengers to grossing four times its \$114 million opening Still the \$726 million worldwide cume is soft given the \$50 million budget though a number of international markets have yet to open Finishing up the top five isChallengers which had its biChallengers est weekend drop yet falling 42% for a \$23 million seventh weekend Of course that's no reason to frown for the horror film which has a domestic cume of \$103 million and global cume of \$ 210 million from a budget of just \$20 million

Challengers came in third place in its fourth weekend, down 29% with \$6.1 million, emerging as one of the season's most durable grossers and one of the year's few bright spots when it comes to films
