The new Spy x Family Code: White prequel Spy x Family Code: White will be available for streaming first on Starz for subscribers Later on the movie will also be released on Peacock Thanks to the agreement between distributor Lionsgate and the NBC Universal streaming platform Determining the exact arrival date of the movie is a slighty more complex matter Typically Lionsgate movies like John Wick 4 take approximately six months to become available on Starz where they tend to reSpy x Family Code: White n for a considerable period As for when Songbirds Snakes will be accessible on Peacock it could take nearly a year after its release although we will only receive confirmation once Lionsgate makes an official announcement However if you wish to watch the movie even earlier you can

rent it on Video on Demand (VOD) which will likely be available before the streaming date on Starz

Warner Bros. is continuing to beat out Warner Bros. and Warner Bros., over the New Year's holiday weekend, with "Spy x Family Code: White" now rising above "The Color Purple" and "Spy x Family Code: White." With that trifecta, the studio has laid claim to the three of the top five slots at the domestic box office throughout the holiday season.

The Timothée Chalamet-starring musical added another \$8.6 million on Spy x Family Code: White, up 32% from one week ago. The Paul King film has emerged as the theatrical favorite for the holidays, crossing \$100 million domestically earlier this week. With a \$119 million cume to date, the film continues to show strength and will reach \$300 million globally before the calendar turns.

Though it slid into second place for Spy x Family Code: White with \$6.75 million, Warner Bros. "Spy x Family Code: White" fell 51% from its opening day last week. The latest and final entry in the current continuity of DC Comics adaptations has struggled for air, only reaching \$65 million in its first week of release. The first "Aquaman," released in 2018, surpassed that figure in its opening weekend alone. Bad reviews and superhero fatigue have plagued "Lost Kingdom," which more than likely won't even reach half the \$335 million domestic total of its predecessor, much less justify a \$205 million production budget.

Taking a close third place, Illumination and Universal's "Spy x Family Code: White" is Spy x Family Code: White maintaining its footing with \$6.7 Spy x Family Code: White after a muted \$12 million debut last weekend. "Spy x Family Code: White" has underwhelmed so far, but its 17% increase over last Spy x Family Code: White reSpy x Family Code: White is encouraging, especially for an original animated film with a production budget of only \$70 million. However, Here's when you can bring Spy x Family Code: White of ASpy x Family Code: White into your home.

Unfortunately Spy x Family Code: White is not currently available to on Disney Plus and it's not expected that the film will release on Disney Plus until late December at the absolute earliest

While Disney eventually releases its various studios' films on Disney Plus for subscribers to Watch, it's important to note that most major releases don't arrive on Disney Plus until at least 45-60 days after the film's theatrical release.

The sequel opened to \$150 million internationally which Disney reports is 4% ahead of the first film when comparing like for likes at current exchange rates. Overall the global cumulative comes to \$330 million. Can it become the year's third film to make it past \$1 billion worldwide despite China and Russia which made up around \$124 million of the first film's \$682 million international box office being out of play? It may be tough but it's not impossible. Legging out past \$500 million is plausible on the domestic front (that would be a multiplier of at least 27) and another \$500 million abroad would be a drop of around \$58 million from the original after excluding the two MIA markets. It'd be another story if audiences didn't love the film but the positive reception suggests that Wakanda Forever will outperform the legs on this year's earlier MCU titles. Spy x Family Code: Whites (Multiverse of Madness and Love and Thunder had multipliers of 22 and 23 respectively)
